Welcome

. . . to the Weston Trap Club. Our officers, directors and membership invite you to attend and enjoy some of the finest ATA registered target shooting in the state of Wisconsin.

We have made a commitment to the future of our sport and the clientele we serve by investing in the 2008 addition of a 6th trap field and in 2010, a spectacular and spacious classroom and clubhouse addition including new showers and restrooms that will now remain available to campers throughout the weekend.

Weston Trap is home to one of the most successful and effective youth trap shooting programs in Wisconsin. These fine young men and women are not only learning to shoot trap but, are learning to shoot competitive trap at a very high level of expertise. We are building future ATA competitors.

Furthermore, we aim to better serve the students of the game and our guests. Thanks to the efforts of our membership and partners in sport, we further promote the shooting sports by hosting Hunters Safety courses, Boy Scout activities and NRA Women on Target events to name a few.

We hope this program will provide you with all the information necessary. If any assistance is needed to make your stay more enjoyable, please feel free to contact any of the following committee members.

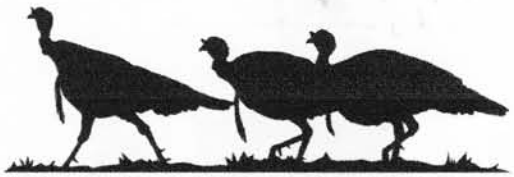

Club Phone	715-355-4888

Are your guns really insured??

Most homeowners insurance policies do NOT cover guns for misplacement, disappearance, breakage from dropping or water damage. Our policies do! Best yet, they are covered for replacement cost at the time of loss without deduction for depreciation subject to a small deductible!

With numerous discounts available, these policies may very well cost LESS than you are currently paying.

Contact us to compare your coverage and rates. Tell us you are a member of the Weston Hit and Miss Trap Club and just for comparing we will give you a free, secure online storage site for all of your home inventory and serial numbers for law enforcement use in case of a theft and use in a claim.
