Board Meeting May 10th 7:00 PM at the Clubhouse

Open Wednesdays & Thursdays at 6:00 PM

Open Sundays at 1:00 PM

- ✿ **Welcome** – We would like to welcome all the new and returning members to another new season of trap shooting and good times ahead. This is YOUR club. When you join as a member, you take an interest in the operation of this club. Help make it the best it can be. See if you can donate a few hours of help somewhere along the way this season. Whether it is attending a few meetings or coming out to mark a few rounds during an ATA shoot – it all adds up. The only people paid for their services in this club are the setters. Everyone else is a volunteer. We need your help
- ✿ **Women on Target** – Don't forget on May 21 some female members of the club, will host this event. If you know a woman that might be interested in trying trap, ask them to call Glenn Hamerly or see the club web site for more information.
- ✿ **Harlan Campbell Jr. Clinic** – The dates on this clinic is May 7 & 8 if you or anyone you know would be interested contact Glenn Hamerly 715-432-3808.
- ✿ **THINK SAFETY** – Remember, safety first at all times. Open or OUT. Keep those actions open and the muzzles down range. If you see someone not handling a gun safely, don't hesitate for a second to let them know of their mistake. You may not get a second chance. Safety is everyone's job!
- ✿ **League Starts May 1st – 1st Score Due May 5th** Be sure to pay membership and league fees before shooting or your score will not count. League Workweeks are posted at the club. Be sure to check when your team is scheduled to work. Remember everyone is expected to mark a round for the next squad.
- ✿ **First ATA Shoot May 14th & 15th** – Sign up is at 10 am on Saturday. Any help with marking or anything else will be appreciated. Any other information about the shoot will be on our web site.
- ✿ **INTRODUCTION TO TRAP** – A six week course introducing new people to the sport of trap shooting will again be sponsored by the club and offered to anyone interested. Contact Russ Howland for more information.
- ✿ **BE KIND TO SETTERS** - Do the setters a favor, check to see if the house is clear before starting a round. Let the setters know when you are finished (if they are left in the house during the round). Shut the microphones off after a round finishes. ALWAYS yield to the light bulb. If the light is on – STOP & UNLOAD IMMEDIATELY. If you see a setter not using the safety light, report it to the club supervisor.
- ✿ **Is the ATA for you--** Have you considered shooting registered targets in a competitive environment? The Weston ATA shoots are not only a great source of revenue for our club but, they can be great fun as well. Ask a member that participates in these shoots and I am sure they would be happy to explain how it works. Or, visit www.shootata.com for more information

Have fun, Be safe
